

Agenda item no.	13.
Report to	Burwash Parish Council (BPC)
Subject	Urban Cuts
From	The Clerk

Two quotes were received having asked 6 different companies to quote for the work. Some of the smaller companies didn't have the right requirements to quote. The current contractor who has been cutting Hornbeam declined to quote for the work.

These two people who have quoted have stated that they have all of the necessary qualifications and insurance to cover the requirements. Quote One already does several local Parish Council urban cuts. Quote two has done all of the paperwork and method statements and also does sub-contracting for local authorities.

Quote One - £1,878.95 (£1,565.79 ex. VAT)
